

If your student receives medication during the school day, please note that ALL medications (prescription and non-prescription) MUST be picked up by a parent, guardian or parent designated adult by the last day of school instruction and/or if the child transfers to another school. The school is unable to properly store medications over the summer. Medications (regardless of cost) that remain in clinic will be disposed of on the last day of school instruction, after dismissal.

Thank-you!
Nurse Barbara
