

Sumner County Health Department
1005 Union School Road
Gallatin, Tennessee 37066

If your child is enrolling in a licensed daycare or a Sumner County School your child will need a completed **Certificate of Immunization** by the first day of class. We encourage you to complete the immunization and physicals as soon as possible due to the health department and physicians' offices becoming overwhelmed July thru the start of the school year.

Make your immunization or school physical appointment now to ensure that all required paperwork will be completed for your child's registration.

Also visit: www.sumnertn.org - OFFICES: HEALTH DEPARTMENT
IMMUNIZATION TRANSFER RECORD, complete and submit.

SCHOOL REGISTRATION
MONDAY, JULY 26th & TUESDAY, JULY 27th
Check with your school for specific hours of registration.

For students entering 7th grade needing required vaccines:
All Sumner County Health Department clinics will be open until 7:00 PM on
MONDAY, JULY 26th & TUESDAY, JULY 27th

Graduating Seniors contact your university to inquire what immunizations requirements are required prior to attending classes for fall 2021.

Feel free to contact us to answer questions or concerns.
