

HMS 8th Grade Parents and Guardians,

As we progress through this Spring semester, we are quickly approaching time for our 8th grade students to begin the registration process for their 9th grade year at HHS. Below we have listed some upcoming dates and events that will be very important for you to write down and make plans to attend. As more information is shared regarding specific events, we will get that shared out as quickly as possible.

HHS is planning on hosting their **8th Grade Orientation Night for HMS on Tuesday, February 23rd, beginning at 7:15 P.M.** At this time, due to the current situation with COVID-19 and in an attempt to maintain social distancing guidelines, **attendance will be limited to one parent per student.**

We have two different schedules created for our registration days here at HMS, where HHS comes over to register our 8th Grade students. The two schedules created are to take into account being all in, and remaining on the current traditional schedule, or the possibility of having the need to return to the hybrid schedule.

**If we are normal (all-in, traditional schedule), HHS will be at Hawkins on March 11th - 12th**

**If we are hybrid, HHS will be at Hawkins on March 1st - 5th (excluding Wednesday)**

Course catalogs and other information will be handed out at the **8th grade night at HHS on 2/23/2021 at 7:15 P.M.** Parents and guardians, that is also when you will have the opportunity to sign up for your registration appointment using SignUpGenius if you bring your phone or other device to access that.

**IMPORTANT: You MUST bring 2 proofs of residence to the registration appointment.**

We will continue to communicate any new information as it is shared. This is an exciting time for our 8th grade students, and we wish them the very best as they prepare for their transition to HHS. Please contact HMS with any questions you may have.

Thank you,

Shaun Glasgow, Principal at Hawkins Middle School
