

Breakfast and lunch will continue to be free as we transition back to our full-time, traditional school schedule.

Also, online meal ordering will continue for everyone learning at home in the Sumner County Virtual Academy.

How It Works: Go to your school's website. Click the To Go Meals tab. There is a brief description. Next, click on the To Go Meal Order Form link. From there, you will make your food and drink selections.

- Meals must be ordered no later than 8:00am on the day of pick-up
- You may only order 1 breakfast and 1 lunch per child, per day
- If you would like to eat with your child, adult meals are available for purchase
- Meal pick up will take place between 10:30am – 11:00am each day and must be picked up by a parent or guardian
- Please review the information on your school's website for pick-up location
